

Golf Outing to Benefit

#MightyMorgs !

Saturday, June 30th

Colonial Oaks Golf Course

4 person scramble, includes 18 holes, cart and lunch

\$75 per individual or \$300 per team

Please join us for an 8:00 a.m. shotgun start on Saturday, June 30, at Colonial Oaks Golf Course. We will be having a silent auction, 50/50 drawing, raffle, and more. All funds raised will be donated to the Moher family to help with Morgan's battle against leukemia.

In December 2017, 9 year-old Morgan received a diagnosis of acute lymphoblastic leukemia. Within 24 hours of her diagnosis, Morgan was checked into Riley Children's Hospital to begin testing and chemotherapy. Morgan's battle will consist of at least two years of treatment, may be more. We want to make sure the Moher's can focus on Morgan's needs and will not have to worry about medical bills, transportation costs, or food and lodging during out-of-town treatments.
